# Catering Menus

### Menu Selections

To ensure your menu selections are available, please provide them to your Event Manager at least 21 days prior to your event.

### Custom Menus

Our talented culinary team is pleased to work with you to customize a menu that meets your needs.

### Allergies Dietary Restrictions

Your health is of the greatest concern to us. Please inform us prior to your event date of group members with any allergies or special dietary requirements. We will provide alternative course(s) of Chef's choice when a plated meal has been ordered at no additional charge. When a buffet menu has been chosen for your group, a special meal may be provided for a surcharge. Charges will apply to all dietary substitutions made on the day of the event.

### Food & Beverage Attendees

Your final guaranteed number of attendees must be provided no later than three business days prior to the function (by 3pm). Should you not provide final numbers, you will be billed for the contracted number of attendees or the actual attendees (whichever is greater). The hotel will do its best to accommodate increased numbers after the guaranteed numbers are provided; however, we reserve the right to make substitutions when necessary. A 15% surcharge will apply to the additional meals requested on-site.

### Children

There is no charge for children aged 4 & under. A 50% discount will be applied to menu prices for children aged 5 to 12.

### Food & Beverage Policy

All food & beverage served at functions held in the Inn must be provided, prepared & served by the Inn.
